"Reserved" for John Sharkey

To the one I hold most dear in all
the world.

Hi, darling, I don't really know what
to write here so I'm just going to tell
you how much I love you. You mean
the world to me and without you
I'm nothing, I have no meaning in
life, nowhere to go. In a few years
we'll be able to do the thing we want
most but until then we must content
ourselves with a few short moments
together. These along with our sadness
at parting and loneliness from being
apart are all steps leading to the
time when we'll never part again.

This is the day we both dream of
and when it comes will be one. I'm
really very proud of you, baby.

All my love

Martha A. Weaver
Senior - 1968-69

Again, Thanks A million

What can I say to my very best friend?
All the times we've talked over things, like Johnny and
Ralph. And when your mother burned the toilet!
We even shared our bus seat. I sure do hate to see
you graduate, write me, will you? We sure did
win a few this year, didn't we? You are a
great guard. Be good and remember that I love you.

A school year

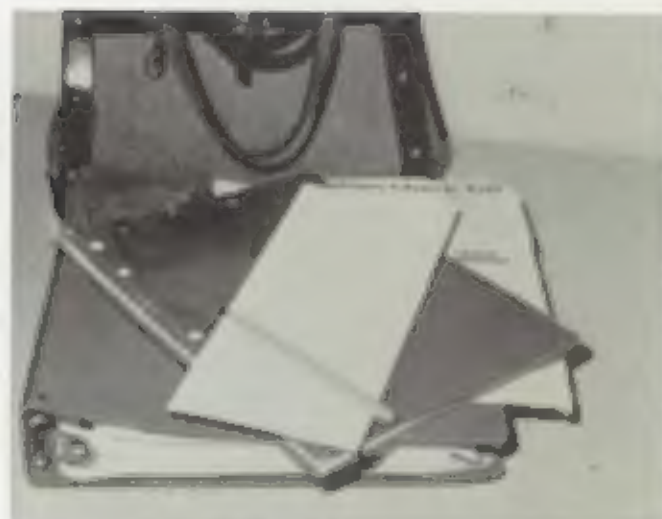

A school year is from September to May, but since the annual must go to press in January, an annual year is really from January to January. It is this year that we attempt to present on these pages. We, the Annual Staff, begin our year in January, recalling such events as the prom, graduation, and, of course, the beginning of a new school term. We view Gilmer High as a place of learning, a place of tradition, and a place where all students are encouraged to accept the challenges of mental, physical, social, and spiritual growth.

Martha,
 Good luck and best wishes to
 a very sweet girl. Remember
 all the ball games and all
 the good times in Coopers.
 Be good and be sweet. Remember
 my as a friend always. May
 God bless and keep you.
 Love,
 Debbie

M. Patton,
 I have enjoyed going

 Your thoughtfulness and
 kindness will always
 serve as a source
 as a source of inspira-
 tion for me. Good luck
 and best wishes,

DEDICATION—MRS. INEZ CRISP

We, the students of Gilmer High, would like to show appreciation and gratitude for one of our school's finest teachers. She is patient and understanding with all who come to her for help. She is a dedicated person who truly believes that each student is worthy and capable of the best.

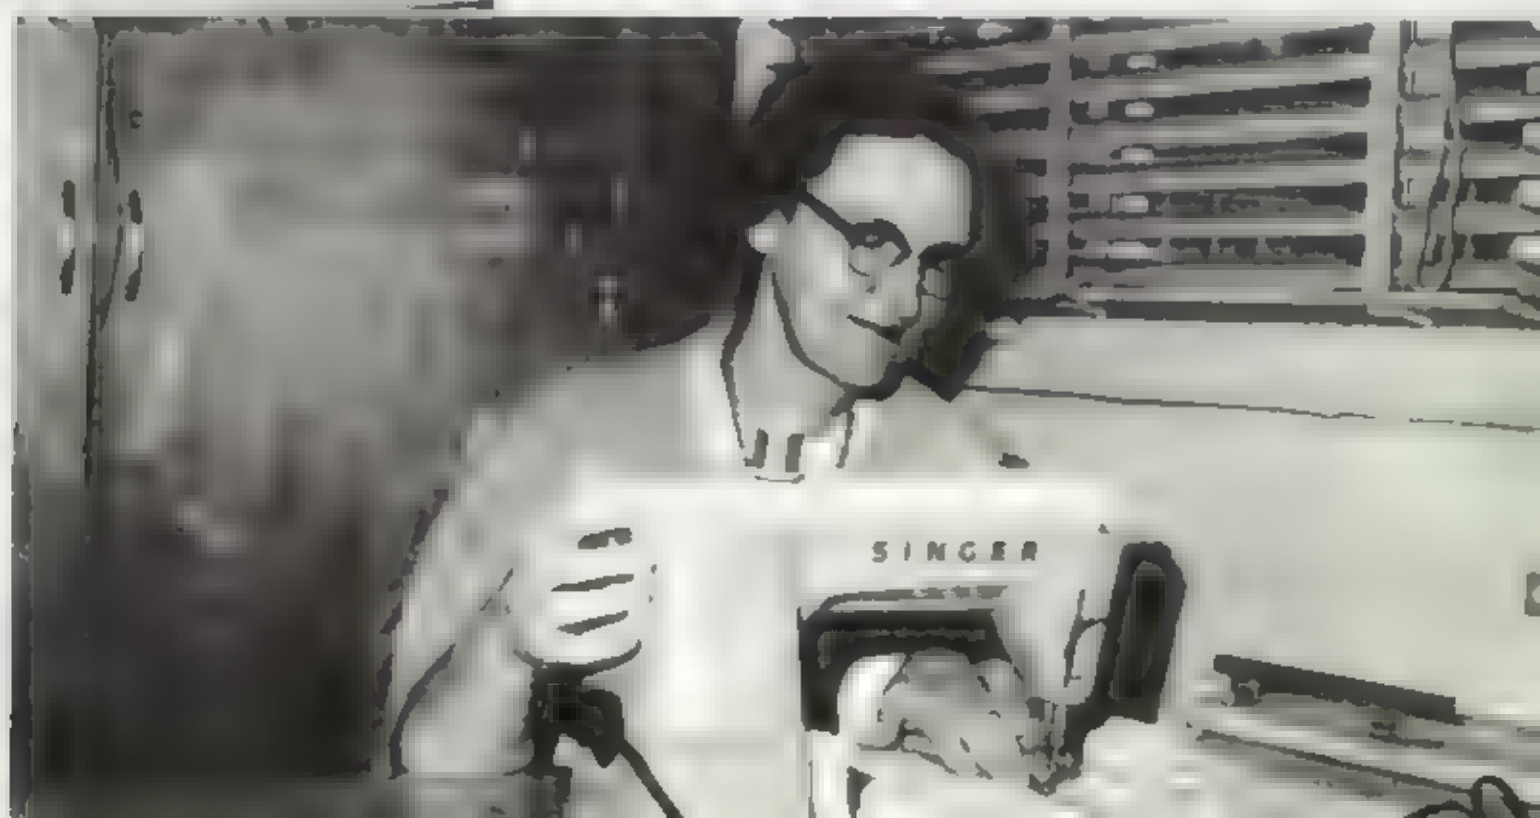

As a teacher, she has been an example here for learning and creating within the classroom to learn. The job of a teacher is to teach, provide a good learning experience for each individual and develop each student to their full potential.

Home economics is the tool which this teacher uses as the key to opportunity and higher learning. Therefore, in order to recognize one who has dedicated herself to us, we proudly dedicate the 1969 Bobcat to Mrs. Inez Crisp.

Martha,
You are one of the
sweetest if not the
sweetest girls of mine.
I'm very happy to
be able to sign your
annual. Best of
luck always!

Coach
Mrs. Maxine Jackson

This year the girls' basketball team has done exceptionally well under the guidance of its new coach, Maxine Jackson. Starting to work early in the school year, the girls were ready when November 26 rolled around with their first ballgame. This was with Fairmount and the Bobcats were victorious 74-25. Since then, they have added six more victories to their list and six losses, none by over fourteen points. With seven more games before February 11, we hope to add more victories to our list. We can truthfully say that Maxine did a lot to build up the skill and spirit of the ball team. Long live the Bobcats!

DEBATE TEAM ENTERS MEET

Next week a group of two teams who meet with other schools during the year will compete in a debate meet. The teams will be competing in a variety of topics and will be judged by a panel of judges.

The Tri-Hi-Y began the 1968-69 school year by participating several school and community projects. During the first week of school, all Tri-Hi-Y members held a devotion over the intercom for the entire student body and faculty. During the same week the club won third place for its fair booth at the County Fair. Students began the year with an awareness of what was happening at Calmar High because our members began to display articles about the school from the local newspaper on the bulletin board. In an effort to arouse school spirit and invoke Christian attitudes, Tri-Hi-Y sponsored Clean Scholarship and Clean Sportsmanship months. Back on the trail for 1968-69 was our fallowren project. At Christmases, members made mailboxes for homerooms for students to exchange Christmas cards. Members also participated in a Toys for Tots campaign.

Martha,
Well, it's about time for us to say a good bye to
my graduation. It's going to be sad, because of
missing that wonderful place as you know. I'm
going to miss you like crazy, but I'll miss the
many years to come. You have been a truly great
friend to me and have always been there to
lend a helping hand when I've needed it. I'll
never forget the times I have cried on your shoulder
and you or mine. We have always been there
through thick and thin, and rain and shine. We
have been through happiness and sadness together.
I want to wish you and John the very best of
everything that life has to offer. I don't
know how much more becoming people I can look
in your future schooling and training.
Martha

I love you so much, and I
love you, but I can't be because
I'm such a dumb person - I hope you
will always remember me as your
friend. Lots of love to you & John.
